Annex No. 2 to the NAWA Chair Programme Regulations, 2020 edition
Model commitment of the Applicant to employ the Visiting scientist and the Project group

In connection with the Application for participation in the NAWA Chair Programme, I declare that in the case of obtaining funding under the Programme, I undertake to:

1. employ the Visiting scientist on the basis of employment contract for the entire period of the Project implementation on an independent research and administrative position within the organizational structure of the unit. I undertake to send the scan of the employment contract concluded with the Visiting scientist to NAWA not later than within 30 days from its conclusion;

2. pay the Visiting scientist a mobility allowance in the amount planned in the Application to his/her private bank account not later than on the day of first disbursement of his/her remuneration;

3. employ the members of the Project group on the basis of employment contract;

4. provide the Visiting scientist and the Project Group with access to the research equipment and infrastructure enabling conducting the research planned in the application, as well as provide necessary office and laboratory space;

5. provide administrative and financial support for the Project, including in matters related to the arrival of the Visiting scientist and creation of the Project group;

6. support for the Visiting scientist and Project group in applying for financial resources for implementation of scientific research or development works, in obtaining required, permits, opinions, approvals, including those regarding the application to relevant ethics committees;

7. if the Research component is planned in the Project, submit the application to NCN in order to receive funding, and in the case of receiving such funding - support the Project group in its realization as well as provide administrative and financial support related to the implementation of this part of the Project.
