

Part 1. Applicant – general information

1.1. First name (the same as in the identity card / passport)

1.2. Last name (the same as in the identity card / passport)

1.3. Gender

- Male
 Female
 Other
 Prefer not to say

1.4. Date of birth

1.5. Citizenship

1.6. Identity card / passport number

1.7. Identity card / passport issuing country

1.8. Identity card/passport valid until

1.9. Phone number

1.10. Diploma issuing country

1.11. Academic title/degree

- doctor of philosophy (PhD)
 degree of DSc (habilitation)
 professor (full professor)
 Other

1.12. Orcid ID (If you have an ORCID number please enter it here)

1.13. Date of PhD award

1.14. Scan of the doctoral diploma or a certificate of having attained a doctoral degree with an officially certified translation into English if the original is issued in a language other than English or Polish.

Attachment.

1.15. Type of workplace (the Applicant should be employed at a foreign HEI or a foreign scientific/research centre or completed their previous employment contract after 31 August 2023)

- Higher education institutions (University, technology etc.)
 Research organisation/institution

1.16. Employment status

- current employee or former employee if Applicant completed employment after 31 August 2023 in this Institution
 former graduate student – if Applicant obtained the PhD title after 31 August 2023 in this Institution

1.17. Full legal name of institution or workplace

1.18. City

1.19. Country (choose from the list:)

1.20. Webpage

1.21. Email address to the person who can confirm the status of the applicant in the Institution

Part 2. Applicant's achievement

2.1. A scientific biography of Applicant including education, Applicant's history of scientific work. If possible, provide the total number of citations of all your publications, excluding self-citations, as well as the h-index (preferred source: Web of Science TM Core Collection or Scopus).

2.2. A list of 3 achievements published within 5 years before the date of deadline of the call out of the following:

- a publication published in English, as the main author (especially first or correspondence), in journals included in one of the following international databases: Scopus, Science Citation Index Expanded, Social Sciences Citation Index, Arts & Humanities Citation Index; or
- a reviewed research monograph published in English; or
- a publication in English in reviewed materials from an international conference listed by the Computing Research and Education Association of Australasia (CORE), indexed in the international DBLP Computer Science Bibliography database; or
- a publication in English in reviewed materials from an international conference, indexed in the Web of Science Core Collection or Scopus database.
- for the representatives of art studies - a proof of having made presentation of work of art in a foreign institution or an academic centre or having received a distinction in an international competition.

The Applicant can demonstrate 3 achievements under the same point (a, b, c, d or e), as well as 3 various achievements from among the indicated ones in point a-e.

It is required to provide a link to the page in the database where the publication is visible. For journals, state the current value of the 5-year Impact Factor or CiteScore index, provided that a journal has calculated values of these bibliometric indices, and the number of citations for individual publications without self-citations according to the Web of Science Core Collection or Scopus database.

2.3. Attachments with 3 required achievements. In the case of publication, the full text of the publication should be attached. In the case of a monograph, please attach a file containing the cover page, page with the ISBN number, editorial page, table of contents and a selection of extracts containing the author's most important theses – no more than 20 pages in total. In the case of representatives of the fine arts field, please attach the copy of a catalogue bearing the ISBN number confirming the fact of having made presentation of artwork at a foreign institution or an academic institution or a copy of a distinction received in an international competition, or any other formal confirmation of an artistic achievement.

Attachment.

Attachment.

Attachment.

2.4. A list of other publications; a maximum of 10 most important papers published within 10 years before the date of deadline of the call

2.5. A list of the most significant research projects that have either been completed or are still in progress, highlighting international projects as well as indicating financing sources and the Applicant's role in the project; for representatives of the fine arts field: information on participation in an international project and brief description of each project

2.6. Internships, awards, patents and patent applications, membership in scientific societies and organisations and other important achievements

Part 3. Host Institution

3.1. Name of the institution in Polish (choose from the list:)

3.2. Faculty/division/team (according to the organisational structure of the institution)

3.3. City

Person responsible for coordination of the planned activities and Applicant's visit - Supervisor

3.4. First name

3.5. Last name

3.6. Academic title/degree

3.7. Position

3.8. Email address

3.9. Phone number

3.10. Phone number (mobile)

3.11. Invitation from the Host institution issued with the date not earlier than the date of announcement of the call, a template of which constitutes an attachment to the Announcement. Document should be signed with qualified electronic signature by the person authorised to represent the Host institution (the document shall be attached with a power of attorney for such person) and signed by the Supervisor.

Part 4. Information about the project

4.1. Title of the proposal

4.2. Key words (no more than 5)

4.3. Abstract

4.4. Proposal classification according to the OECD classification of fields of science and technology. Choose from the list (minimum one and maximum three indications are possible):

I level OECD

II level OECD

III level OECD

4.5. Activities to be carried out in during the scholarship. Choose from the list (more than one option is possible):

- completing the first or a subsequent post-doctoral fellowship
- conducting scientific research
- obtaining materials for research or a scientific publication

4.6. In addition to the above activities, the visit also includes conducting didactic classes at the Host institution.

- YES
- NO

4.7. The key points or aims of the proposal.

4.8. Work schedule: the milestones and their duration time.

4.9. Description of the research and activities to be carried out during the scholarship including:

- detailed objectives, hypothesis
- description of the problem to be solved,
- current knowledge in the field
- description of tools and/or research/didactic methods,
- expected impact of the planned research on the development of science, civilization and society, etc.
- references

4.10. Justification of choosing the host institution, adequate research and mentoring support, the research achievements of the host institution in the field of the planned research. Expected impact of the participation in the programme on the development of the Polish scientific unit or university, in which an Applicant will be hosted. Description of possible future cooperation between the Applicant and host institution, e.g. conferences, workshops, scientific publications, joint applications for research projects.

4.11. Expected impact of the participation in the programme on the development of the scientific/academic career of the Applicant.

4.12. Description of the expected results and goals to be achieved during the scholarships

4.13. Information on the implementation of the development goals Does the project comply with the implementation of the sustainable development goals? Information in this regard is collected for statistical purposes and does not affect the assessment of the application.

- YES
 NO

4.14. Did the Applicant apply for funding under the previous ULAM NAWA Calls?

- YES
 NO

4.15. Additional attachments (graphs, figures, pictures etc.)

Attachment.

Part 5. Budget of the project

5.1. Duration of the stay (number of months)

5.2. Start of the project

5.3. End of the project (The project implementation period includes the stay period plus 3 months)

5.4. Amount of Scholarship (duration of the stay x PLN 7,500 per month)

PLN

5.5. Costs of living and accommodation (duration of the stay x rate per country of stay)

PLN

5.6. Are you planning to stay with your children?

- YES
 NO

5.7. Residence Country (country of stay before the project)

5.8. One-off allowance for travel costs according to the country of residence before the project

PLN

5.9. Do you have a certificate of severe or moderate disability and want to receive an increased amount for living and accommodation costs?

- Yes
 No

5.10. TOTAL

Part 6. How did you find out about the programme?

How did you learn about the programme? Note: The question is asked for the purpose of the evaluation of the activities of NAWA only. The answer to the question is not taken into account in the formal assessment or in the content assessment of the application.

- NAWA's website: www.nawa.gov.pl
